ST. JOSEPH'S CHURCH

The Nation that forgets God,
Shall be turned into Hell . . .

☆ ☆ ☆

Greater love hath no man, than that he lay
down his life for his friend.

Introduction

Young men, the life blood of a nation, have a definite mission to perform in these perilous days, to defend the American way of life by force of arms. St. Norbert College instills in its students not only the static routine of books and study, it also closely knits its members into a common bond pledged to live FOR GOD AND COUNTRY.

During 1943, this pledge demands active military participation. Front line duties are dangerous. Five St. Norbert students have completely fulfilled this pledge, aye, even to giving their lives that free principles may not be lost.

The 1943 DES PERES is especially dedicated to these valiant Knights. This volume also honors all uniformed St. Norbert men who are carrying on their College pledge FOR GOD AND COUNTRY.

EARL WALLEN

Earl D. Wallen, ex '42, Private First Class in the United States Marine Corps, was the first St. Norbert student to lose his life in the present conflict. He was killed while defending his country at Pearl Harbor.

Earl, a native of Green Bay, attended St. Norbert College in his freshman year and was a member of the College ROTC Band in addition to pursuing his regular studies. In 1939, he enlisted in the Marine Corps, being in service for more than two years before he was killed. The well-liked hero formerly attended West Green Bay High School, receiving his diploma in 1938.

Letters written prior to his death hinted that "something's brewing" in the Pacific. In his last letter, he mentioned being aboard the U.S.S. California, which was operating near Hawaii at that time. His mother, Mrs. Sue Wallen of Green Bay, learned of his death in a wire received on December 22, 1941.

In tribute to him, the "Earl Wallen Platoon" of the United States Marine Corps was organized, composed entirely of marine recruits from this territory who are now perpetuating the ideals for which Private Wallen gave his life.

LEO DEWANE

Very little hope is held for the life of Leo Dewane, '40 of Maribel. He was last heard from on Bataan Peninsula in the Philippines.

The only hope for his safety is that he may have been among those captured by the Japanese when Corregidor was finally taken. His name has not been released among those listed as prisoners of war by the Japanese.

He was commissioned as a Second Lieutenant in the ground forces of the Air Corps. He enlisted in the Air Corps three weeks after he graduated from School in 1940.

An average student at St. Norbert, Dewane was well liked by those who knew him. His entrance into the Air Corps soon after graduation proves that, like the average St. Norbert student, he is more than willing to do his part for the war effort.

VINCENT HERCER

Lieutenant Vincent Hercer, who graduated from St. Norbert College in February, 1941, was the first ROTC graduate from this school to die in action for his country. He was reported missing in action somewhere in the Southwest Pacific on December 5, 1942, and his death was confirmed by a government report on January 23, 1943—"Killed in action."

Lt. Hercer, who was very active in school life, graduated with a Bachelor of Science Degree in Economics. His activity on the varsity football team and track squad entitled him to membership in the Varsity Club. He was also a member of the Collegiate Players, Third Order, Holy Name Society, and Chi Rho Nu.

His wife was attending Georgia State Teachers College when informed of his death. He is also survived by two brothers and a sister, who live at Rockford, Illinois, his home town. His loss is keenly felt by all who knew him, both in and out of school.

PATRICK J. SWEENEY

Patrick J. Sweeney, ex '43, Irishman from Philadelphia and a private in the United States Marine Corps, was the second St. Norbert student to lose his life in this war. He was killed in action August 21, 1942, while fighting the Japs in the Solomon Islands. Previous dispatches told of Private Sweeney heroically breaking up a group of Japs, who were hurling hand grenades, with five well-placed rifle shots.

As a freshman at St. Norbert, Pat, the likeable Irishman, was manager of the freshman football squad.

An instance of Pat's bravery is the following account by a fellow Marine: "Sweeney and I were together in a foxhole about 30 feet ahead of our lines. We sat wide awake. Suddenly from behind us there came a horrible scream. One of our men had been bayoneted. Suddenly Sweeney wheeled and fired his rifle from the hip. I looked around. A Jap soldier who had lunged at my neck with a bayonet crashed, dead and bleeding, to the left of me."

JOHN J. CONWAY

Second Lieutenant John J. Conway, ex '43, former St. Norbert College student and athlete, was killed when his plane and that of another crashed in midair. The mishap occurred when the plane immediately in front of his hit an air pocket and crashed into him. Both Lt. Conway and the pilot of the other plane were killed.

Conway, who enrolled in St. Norbert in 1938, made many friends here and was very popular with both the students and faculty. As a sophomore halfback on the varsity football team his athletic prowess enabled him to win his "N."

The following June he enlisted in the Air Corps, and in October was called into active service. He graduated as a pilot from Mather Field, California, on April 24, 1942, and received his silver wings. Lt. Conway subsequently served as an instructor there and at Turner Field, Georgia, and George Field, Indiana. From George Field he went to Blytherville, Arkansas, where he was stationed at the time of the accident. Before his untimely death, the commanding officer of his post had recommended his promotion to the rank of First Lieutenant.

Our War Dead

Second Lieutenant Leo Dewane
United States Air Corps

Private First Class Earl D. Wallen
United States Marine Corps

Private First Class Patrick J. Sweeney
United States Marine Corps

"Farewell! Farewell
Comrades true, born anew,
peace to you!
Your souls shall be where heroes
are
And your memory shine like the
morning-star.
Brave and dear
Shield us here
Farewell!"

St. Norbert College R. O. T. C. Graduates

All of the men on the opposite page have graduated from St. Norbert College with commissions as Second Lieutenants in the Officers Reserve Corps.

Two of them, Vincent De Leers and Kenneth Rodgers, have resigned in order to study for the priesthood.

We list these men as having graduated with Second Lieutenants Commissions; due to the numerous promotions which we could not attempt to follow we were forced to dispense with listing their present status in the armed forces.

We regret that we are unable to furnish a complete list of all the St. Norbert men in the service. It is known that a large percentage of the students who have attended St. Norbert within the last five or six years are rendering service to the armed forces in various capacities.

Many of these men volunteered where they thought they could do the most good. Air Corps, Navy, Marines, Coast Guard and Merchant Marine all claimed their share of St. Norbert students.

We sincerely believe that these men are doing all in their power to make this a better world to live in. As true Knights of St. Norbert, they are doing their best FOR GOD AND COUNTRY.

Faculty Members in Service

CHAPLAIN LIEUTENANT COLONEL A. M. KEEFE

O. Praem., Ph.D.

At present somewhere in New Guinea as the Chaplain of the 135th Medical Corps the ex-Dean of St. Norbert College is in the thick of things as always. Graduating from St. Norbert College in 1920, from the Catholic University of America in 1923, and receiving his Ph.D. from the University of Wisconsin in 1925 Father Keefe returned to St. Norbert in 1926. He was Dean of the school from 1927 until 1941 when he left with the Wisconsin National Guard, of which he was chaplain. For a time he was stationed at Camp Shelby, Miss., and then he turned up as Senior Chaplain of the United States forces in Australia.

REV. LUDOLF F. JACOBS

O. Praem., B.E., B.A., Ph.D.

Father Jacobs is well remembered by most students who were here last year. Graduating from St. Norbert College in 1927, he remained on the faculty as an instructor of Physics for several years. Then Father Jacobs went to Purdue University where he received his Ph.D. in 1942. After teaching a half year at St. Norbert College he accepted a position as an instructor with the United States Signal Corps school in Chicago. He is stationed at Illinois Tech and is one of the leading men today in the field of electronics.

REV. GEOFFREY G. CLARIDGE

O. Praem., M.Sc., Ph.D.

Receiving his B.A. at St. Norbert College in 1933, Father Claridge lost no time in preparing himself for further studies in his pet fields of Astronomy, Physics and Electronics. After picking up his Master of Science degree at the University of Michigan he matriculated at the University of Notre Dame and received a degree of Doctor of Philosophy. Now a field supervisor for the United States Signal Corps schools in Chicago, Father Claridge was formerly an instructor with the United States Signal Corps at Harvard University.

CHAPLAIN CAPTAIN CYRIL H. MIRON

O. Praem., Ph.D.

Graduating from St. Norbert College in 1928, the Catholic University of America in 1936, and teaching at St. Norbert since 1938, Father Miron reported for duty in the spring of 1942. He was well liked at St. Norbert where he taught several philosophy courses. Little is known of his present whereabouts except that he was recently transferred from Fort Jackson, South Carolina to "somewhere in the Caribbean area."

LIEUTENANT COLONEL A. M. KEEFE, O. PRAEM., CHAPLAIN, 135TH MEDICAL REGIMENT.

The President

RT. REV. ABBOT B. H. PENNINGS, O. PRAEM., LL.D., PRESIDENT

The President

"No man liveth unto himself alone." The Rt. Rev. Abbot B. H. Pennings, O. Praem., certainly has lived for others, for it is mainly through his work, perseverance, and splendid guidance that St. Norbert College stands today.

Abbot Pennings' dream, the dream for which he gave so much of his life, was the establishment of an institution in which native born priests could be schooled. It was amid humble beginnings that the small, earnest class of four boys started their training in the fall of 1898. The next year found a two hundred percent increase in the student enrollment in "The College," which then consisted of one special room in the priory. According to contemporary accounts the main sport in the spring of 1899 "was tearing down a lot of old barbed wire fences that enclosed the various lots, burning up a lot of giant burdocks, and helping to prepare the ground of what is now the Abbey garden."

The dream rapidly grew to larger proportions and in March, 1902, the cornerstone of the present Main Hall was laid. The building was steam heated and lighted by electricity. It was "... provided with all modern conveniences, making it one of the most complete institutions of its kind in the Northwest."

In July, 1911, Father Pennings celebrated his twenty-fifth anniversary of his ordination to the priesthood. The first twenty-five years had been fruitful, but the next twenty-five yielded an even more abundant harvest.

By 1915 the dream had outgrown Main Hall, and the need for a new building was met in 1917 when construction was finished on Boyle Hall. Radio station WHBY became

a reality in 1925 when a transmitting station was housed on the fourth floor of Boyle Hall. Five years later the gymnasium was completed, and then last fall the Residence Hall was dedicated. And so, under Abbot Pennings' guiding hand, his undying dream has materialized into the college we know today.

If only more men would live, like Abbot Pennings has, for others and for their God, this world would be a much better place to live in. We are thankful that men like him are still alive today. God bless him!

The Dean

At the completion of more than two years service as Dean of St. Norbert College, The Very Rev. P. N. Butler, O. Praem., retains the respect and admiration of all who know him.

In reviewing Father Butler's experiences, we find that he attended St. Norbert High School and College and received his Doctor's degree from the University of Wisconsin. Besides his present duties as Dean, he is head of the English department, an authority on Shakespeare, and director of activities at Camp Tivoli during the summer.

Under his guidance, the College is a well-organized, cooperative unit. His recent experiences as a student, coupled with his present experiences as a teacher, help him to understand the problems of both the students and the faculty. In his attempt to further the school's progress nothing of value has been too insignificant to merit his consideration.

Behind our Dean's imposing background we find the genial, twinkling personality of Father Butler. Ordinarily one might expect a man with the Dean's responsibility and authority to be too engrossed in his work to chat and listen to the problems of the students, but Father Butler is no ordinary man.

The first time you drop into his office, you are impressed by his cordiality and his willingness to help.

The Dean has a big job, but no matter how busy he is, he can always find time to help the perplexed or bewildered student.

In his classes you are amazed at his knowledge; then you are more amazed by the ease with which he imparts his knowledge to the students. Wit and humor have a welcome place in his classes—that merry twinkle in his eye warns you that a joke is in the offing. Many jokes with the original "Butler styling" find their way into the classroom.

So we all, Seniors, Juniors, Sophomores and Freshmen respect and admire our wise and understanding friend and Dean, Father Butler.

DIRECTOR

FATHER FOX—Whatever degree of success that has been attained by the Green Knight squads, can in no small part be attributed to the untiring efforts of Athletic Director, Rev. T. G. Fox, O. Praem. In his eight years at this post, it has been his policy to bring the best in athletic competition to St. Norbert. In the past few years he has reached a peak by scheduling the best in small college competition in the middle west, and also scheduling two of the greatest teams in the nation, Great Lakes and Camp Grant. Since his installation, he has brought St. Norbert to the fore in the athletic world.

HEAD COACH

COACH MC CORMICK An integral part of the athletic department of St. Norbert College and controlling the destinies of its teams, is Head Coach F. J. (Mickey) McCormick. This year "the little Irishman" sent his ninth, and possibly his last teams for the duration, into the athletic wars. Despite the fact that his teams were riddled by the draft and graduation, his boys performed admirably, giving the crowd a thrill a minute both on the gridiron and on the basketball floor. Completing nine years as the head man, Coach McCormick has an all time record of a little better than .500 in football and better than .600 in basketball, which are good percentages in any man's league.

ASSISTANT COACHES

FRED DILLON Practically an institution in the athletic department of St. Norbert college, Fred Dillon, as coach of freshman athletics, has converted raw material into semi-seasoned veterans for varsity competition.

FRANCIS "JUG" EARPE all-time Packer great at center, contributed greatly this year, taking over Mike Michalske's position as line coach.

Sports

1942-1943

FOOTBALL

This year the war affected St. Norbert football as it affected many other schools throughout the nation. The Green Knights had one of their worst seasons in history. The armed forces claimed many of the stalwarts of the team that lost only one game on the regular schedule the year before.

The team lost such stars as Bob McLaughlin, Toughy McCabe, Reg Walker, Fred Picard, and Bob Delahaut. All of these men are now engaged in a much larger and more important battle than was ever staged on a gridiron. The team sorely felt their absence.

It was a small squad that took the field for the first game, and the size diminished as the season went on. The lack of victories was charged to the size of the squad, and the never ending string of injuries.

BASKETBALL

The Green Knight basketball squad played a reduced schedule of games this year. Travel restrictions made it necessary to do this. Many games that were scheduled also had to be postponed at the last minute when it was found that travel on that day was impossible.

Due to the lack of material to make up a team, the freshman rule was lifted this year to enable the first year men to participate in the sport. This year was the first time the rule was suspended since its formulation some years ago.

The team played two games with the nation's top team, the Bluejackets from Great Lakes naval training station. The scores were naturally pretty well one sided, but the Green Knights put up a battle comparable to any other of the many schools the gobs played.

TRACK -- GOLF -- TENNIS

Blades of grass continue to sprout through the cinders of one of the finest tracks in the midwest. Due to lack of interest in the sport, no track activity was held this year.

Golf and tennis competition was also suspended for the duration. Lack of enthusiasts and travel difficulties caused this. These sports were always considered minor sports at St. Norbert, but there was always interest shown in the two, and competition was offered by teams from other colleges throughout the state.

FUTURE

The future of sports at St. Norbert remains dark indeed. The war has just begun to show its effects on college athletics. It is doubtful whether the Green Knights will be represented by any athletic competition next year.

Many Green Knights will shed the Green and Gold to join their predecessors already in olive drab. It was said the future was dark, but certainly not dead. After this great conflict has ended, bigger and greater Green Knight teams will emerge from a great school.

First Row: Mike Powers, Joe Regenfuss, Bob Vanden Branden, Francis Faris, Bob Schinderle, Richard Smith, Bob Walters, Ed Feser.

Ed Feser skirts the end in Gustavus game.

Opening their 1942 campaign, the Green Knights lost a stiff battle to the Gusties from Gustavus Adolphus college 2-0, in a game played at J. R. Minahan Memorial stadium on Oct. 3.

The visitors scored on a safety midway in the second quarter. A Gustie punt from the 50 stopped on the Knight's five yard line, and on the next play from scrimmage, Ed Feser was downed behind his own goal for the only score of the game. Numerous other scoring threats were

put on by both teams, but were thwarted by either bad breaks or tight defensive play.

Les Wondrash, John Hickey, and Charles Machi looked good for the Knights in their back-field spots, and Fred Kant, John Richards, and Bob Kuehn stood out in line play. Swanson, the Gustie center, was the standout man for the invading eleven. Papke, a guard, suffered a broken leg in the encounter when he was hit hard by a Knight blocker.

Jim Riendl

Bob O'Malley

Pat Golden

In the second start of the season, the Knights went down to a strong St. Ambrose squad 26-0, in a game played before some 5000 fans at Davenport, Ia. The Bees' victory was in revenge for the setback handed them last year.

The first touchdown came as a climax to a 60 yard drive with Kinsella going off tackle for the score. This was early in the first period. St.

Norbert attempted a few rallies, but the Bees stopped everything that was thrown at them. It was the worst defeat handed a Green Knight football squad in many a game. Scoring chances were few, but the Knights did manage to get a few breaks in their favor.

Charlie Machi proved to be the standout player for the invading Green Knights.

Walters skips through pesky Gustie tacklers.

Fritz Kant

Jim Madiol

John Kraniak

Bud Byrne

Posting their first and only win of the season, the Green Knights barely defeated the Miners of Michigan Tech college of Houghton, Mich., 7-0. It was the tenth consecutive victory for the Knights over their Michigan rivals, and the tenth time that Tech has been unable to score on the Macmen. The game was played at Houghton on Oct. 17.

The touchdown came late in the third period on a romp by Charles Machi after the touchdown had been set up by a twenty yard sprint by Mike Powers. The Knights threatened numerous times, but could not move the ball over the double stripe. St. Norbert made 241 yards rushing to Tech's 76, and 88 yards passing to Tech's 26. Outstanding line play was turned in by Kuehn.

Charlie Machi picks up some scarce yardage in St. Joe game.

Dick Smith

Bob Schinderle

Fran Faris

Charlie Machi

Travelling to Waukesha on Oct. 24, the Knights came home with a 13-6 defeat. The Pioneers were playing their last game under their coach John Breen who left for a commission in the navy's physical education program.

Carroll's halfback, Stanger, scored first in the game. He went over on a romp from the six yard line. Charlie Machi of the Knights counted next

on a 30 yard sprint to the goal. It was the second touchdown scored by the Knights in the season. In the second half, the Knights fumbled on their own 30, and Carroll took advantage of the break and scored the winning touchdown.

Machi again stood out for the Knights in the backfield along with Powers, and Kant, Richards, and Van Sistine looked good in the line.

Fritz Kant moves in to mow down fast Loras back.

Three Loras tacklers surround little Les.

A disappointed homecoming crowd saw the Knights go down to an alert Loras football team 18-0, on Oct. 31. After playing a scoreless first half, the Loras began to pick up ground and left the hapless Knights in their tracks.

The game was fairly evenly played looking at it from another angle. The Knights made 161 yards net to the Duhawks 170, but the Macmen

never got closer than 32 yards from paydirt. St. Norbert was strong on defense during the first half of the game, but the defense crumbled when Loras took advantage of a few good breaks that enabled them to score.

Machi as usual stood out for St. Norbert in the backfield, and Smith, Kant, and Van Sistine looked good in line play.

John Richards

Greg Stevens

Rex Jewell

Ed Feser

Wondrash takes a short pass for gain in Loras game.

Playing their last home stand of the year, and perhaps the duration, the Knights went down to a strong St. Joseph eleven 19-0. The Puma scores all came as the result of good breaks. The game was a passing duel between Machi of the Knights and Ellspermann of St. Joes.

Injuries again prevented a better showing by the Knights. A good crowd attended the game which

was the annual parents day game at St. Norbert. Ending the season, the Knights were defeated in an exhibition with the strong Camp Grant team in a game played at the camp, 40-6. The Camp Grant squad was made up of many former college and professional stars. Stan Stasica, former all-southern back, was the standout soldier player and caused the Knights most of their trouble.

Bob Vanden Branden

Vern Cotter

Dick Lefebvre

Joe Regenfuss

First Row: Olson, Kummerer, Nebl, Merar, Slatky, Pieters J., Spallas, Augustyniak.
 Second Row: Wade, LaLoggia, Miller, Denis H., Ertman, Fonder, Gorall, Gerondale, Canadeo.
 Back Row: Feser, Anderson, Jens, Schibilsky, Roffers, Zoch, Toshner, Payant.

Freshman Football

Last fall thirty men reported to Fred Dillon, Freshman mentor, to vie for honors as freshman football stars. These erstwhile greats have the most thankless job on the campus, acting as cannon fodder for the Varsity.

Outstanding for the yearlings were Jim Spallas, a midget backfield man from Fond du Lac; Danny Canadeo, end; Dick Schibilsky, end from Rhinelander; Bob Fonder, a back from Green Bay West; Gene Nebl, back, Juneau; Jim Anderson, back, Shawano; Hank Ertman, back, Pulaski; George Augustyniak, end, Ironwood, Mich; Bill Payant, tackle, Kingsford, Mich.; and Bill Olson, end from Menominee, Mich.

Along with their task of trying out opposition offense on the Varsity, the Dillonmen scheduled a home and home series with their arch rivals of Lawrence College. In the first game the yearling Knights defeated the Viking frosh 12-0, in a game

played at Minahan stadium. Both touchdowns were scored by Hank Ertman, the first on a 23 yard naked reverse, and the second on a thirty yard sprint through the line.

In the second game, the St. Norbert freshman squad scored an easy 32-6 victory. The Knights scored twice on passes from Jim Anderson to George Augustyniak during the first half. Early in the third quarter, Bob Fonder, fullback, sprinted around end for the third score. The fourth quarter opened with Anderson intercepting a Lawrence pass on their 35 and returning to the three. On the next play he drove over for the score. The final touchdown was on another pass from Anderson to Augustyniak, this time for 35 yards. Thus ending the most successful season in years, Fred Dillon and his freshman satellites deserve the utmost praise.

Front Row: Spallas, Machi, Hruska, Junion, Augustyniak, Wondrash, Lemorande L.
 Second Row: Filbrandt, Lemorande R., Cavers, Toshner, McQuarry, Van Sistine, Greenwood, Anderson.
 Back Row: Wittig, Walsh Ed., Byrne T., Miller R., Langlois, Mark.

Basketball

Bill Hanley, Chilton sophomore, did a great job as manager for both the Varsity football and the Basketball squads. Stanley Jones, freshman, took over when Hanley went into service.

SEASON'S RECORD

St. Norbert.....45	Lawrence.....47

Monard sneaks through Ripon defense.

Les Wondrash

The Green Knights opened their basketball season against the powerful Vikings of Lawrence. St. Norbert played a hard fought game but missed quite a few close shots to lose 58-43. Harvey Hruska led the Knight attack with five field goals and the same number of free throws for a total of fifteen points. Dick Miller, Viking star forward, netted a total of seventeen.

The Green Knights lost to a fast traveling St. Joseph five at Collegeville, Indiana, 55-42. Cy Van Sistine, sophomore center, led the Knights with 11 points and Les Wondrash followed with eight. Hoffman was high scorer for the evening with 20 points.

Cy Van Sistine

Basketball

Charlie Machi

The Bluejackets from Great Lakes Naval Training Station, sighted their big guns and sank the hapless Knights, 73-24. The sailors were paced by Ed Riska, of Notre Dame and Oshkosh Pro's, and Bob Davies of Seton Hall. Van Sistine and Wondrash led the Knight scoring with six and five points respectively.

St. Norbert College's basketball team bowed to Ripon College five, to run their losses to four straight, losing 45-34. The Knights held the Redmen down in the first half. Despite the sparkling play of Hruska and Junion in the last half, Ripon got rolling and pulled away to victory.

Bob Monard

Dick Klein, of Great Lakes, bats ball away from McQuarry. Junion and Van Sistine in background.

Basketball

Bob McQuarry

St. Norbert College's fighting five opened both barrels against Central State Teachers' college of Stevens Point, and when the smoke cleared, the Knights found themselves victorious by the score of 57-35. Van Sistine, sophomore guard, and freshman forward Bob McQuarry took top honors with 19 and 13 points respectively.

Paced by Wondrash and Hruska with 19 and 15 points respectively, the Green Knights vanquished the Stevens Point Teachers' college 59-34. It was the second victory of the season for the Knights over Central State, and their third victory of the season.

Jim Cavers

Wondrash garners another two points in Oshkosh game.

Van Sistine fights for ball in Great Lakes game.

Leonard Lemorande

Displaying some of their old time power, the Green Knights smothered Oshkosh State Teachers' college, 63-45, on the Teachers' court. Wondrash and Hruska netted 17 points apiece as the Knights made pretty much of a one team show out of the encounter.

The Green Knights settled their score with the Redmen of Ripon college, 56-40. Big Clayt Junion took scoring honors with 16 points.

The fighting Macmen played inspired ball only to be defeated by a powerful Lawrence squad, 47-45, in their final game of the year.

Thus the Knights completed the season with five victories and six defeats against opposition that included the best of the Nation's basketball teams. Congratulations are in order to Mickey and his boys for the outstanding brand of ball played this season.

Ralph Lemorande

Monard sinks a short push shot in Ripon game.

High scoring position was retained for the third consecutive season by untiring Les Wondrash who hung up a total of 117 points. Following closely was Cy Van Sistine, who totaled 104 points in his first year of varsity basketball.

The box score for the season follows:

Player	Games Played	Field Goals	Free Throws	Personal Fouls	Total Points
Leslie Wondrash.....	11	38	41	21	117
Cy Van Sistine.....	11	39	26	26	104
Harvey Hruska.....	11	27	18	21	72
Clayton Junion.....	11	25	14	25	64
Charlie Machi.....	11	15	7	24	37
Geo. Augustyniak.....	7	9	2	7	20
Bob McQuarry.....	4	9	1	6	19
Ralph Lemorande.....	11	4	3	10	11
Len Lemorande.....	6	0	2	5	2

Harv Hruska

George Augustyniak

Intramural Basketball

The intramural basketball season this year was under the able direction of Bob Kuehn. The league consisted of eight teams competing for the intramural basketball championship of the college.

The teams were: Kampus Kiddies, a freshman team composed of boys from the residence hall; Wall Street Boys, sophomores from the residence hall; Lusha's Boys, the seniors from Boyle; Red Foxes, the sophs living in Boyle hall; Hard Boylers, Hank Ertman's freshmen team from Boyle; Worachek's Wolves, a team composed of seniors from both Boyle and the residence hall; Minute Men, junior team from Boyle; and the Day student team, The Dilemmas.

As this book goes to press, the standings reveal three teams on top fighting for first place in the regular league play. They are: Lusha's Boys, with a perfect record of three wins; The Dilemmas, with a like number of victories and no defeats; and The Hard Boylers, with two victories and no defeats. At the end of regular league play, the annual tournament for the St. Norbert College Intramural Basketball Trophy will be conducted, the winner getting possession of the coveted award for one year.

Parents Day

Members of Alpha Phi Omega mail out invitations to all the "Moms and Pops"—Beno, Paque, D. Beno, Bouchea, Rothe, La Luzerne . . . Editor Kalista hands out a free copy of the Times . . . Chem Lab is well prepared by McCormick and Kramer . . . Commander Beno asks the little girl to write in his big book while proud parents look on . . . Circle: Parade of visitors visit new Residence Hall . . . Physics lab experiments are presided over by Frater Ziegler and Physics Instructor Father LeMieux.

Activities

Alpha Delta has final 1942 gathering. Everyone is happy, eating . . . Some of the '42 Chem Majors pose for Nick: Brusky, Gevers, Fronziak, Vincent and Kwaterski . . . Cannizzaro Club Annual party finds Father Pritzl playing cards . . . Recreation room on Second floor of Residence Hall got a workout from these students . . . Members of the Varsity Club at the Homecoming Dance: Golden, Kuehn, Walters, Kant and Byrne . . . Day student gang eats lunch on lawn . . . Military review . . . Take a good look, the cannon isn't there any more . . . Bar at Knight club does a roaring business . . . Band has "beer party" . . . Father Sromvosky watches his boys drill during the Annual Federal inspection.

Corcoran, Kalista, Golueke, Hopfensperger, Miron, Oliver, Duerr.

Alpha Delta

One of the newer and progressing honorary national fraternities on the campus of St. Norbert College is Alpha Delta, national honorary journalism fraternity. This organization is most active during the spring months. The present school term represents Alpha Delta's third year of activity on this campus.

The St. Norbert chapter was the first to organize in Wisconsin. Alpha Delta headquarters honored this chapter by naming it Wisconsin Alpha. A unique feature of Alpha Delta is that it does not require its members be registered in a formal school of journalism.

Students become eligible for membership in the organization after completing three semesters of satisfactory work on either the Times or Des Peres. Executives for the publications are chosen from the membership of Alpha Delta.

The organization of Alpha Delta has effectively unified work on the two campus publications. Special awards are made for outstanding journalistic accomplishments.

Officers elected to serve during the 1942-1943 school term are as follows: Floyd Hopfensperger of Kimberly, President; Charles Duerr of Green Bay, Secretary-Treasurer.

First Row: Beno, D., Beno, T., Kant, Rothe, Bouchea, Basche.
 Second Row: La Luzerne, Mathy, Held, Charles, Huber.
 Back Row: Jones, Domenech, Bandt, Ripley.

Alpha Phi Omega

Alpha Phi Omega is a national service fraternity. The purpose of this active group is to serve their fellow students and mankind. This organization is not a service fraternity in name only, but in actual practice it serves many. In the past year Alpha Phi Omega was engaged in the following activities: on last Easter Sunday the orphans were treated to a party with egg rolling and some other pleasurable games; the registrar and faculty were aided by members who guided confused freshmen to save time; the fraternity undertook to supervise and guard cars parked near the campus at the Homecoming dance. New members are initiated into the fraternity at an annual banquet.

A series of exclusively Alpha Phi Omega parties and dances and picnics are planned each year. Meetings are held monthly to plan new activities and transact business of a local and national nature.

Officers elected to serve during the 1942-1943 school term are listed as follows: Thomas Beno of Green Bay, President; Clarence Rothe of Green Bay, Vice-President; Donald Beno of Green Bay, Secretary; Leland Bouchea of Green Bay, Treasurer.

First Row: Worachek, Kraniak, Machi, Wing, Kelly.
 Second Row: Alesch, Miron, Corcoran, Heyrman, Hopfensperger.
 Third Row: Hansen, Sigl, Knox, LaLuzerne, Weinberger.

Broadcasters

Organized to present radio programs over the St. Norbert College radio station, WTAQ, the Broadcasters have been working under a severe handicap since 1941. The ASCAP ruling that music controlled by them may not be played over the air without payment of a royalty leaves the Broadcasters practically without music for their programs.

Doing all in their power, however, to produce better radio programs without music the group went ahead and turned out several fine programs. Among these were the homecoming pep rally, a round table discussion by students on December seventh, "Pearl Harbor Day," and several fine convocation programs.

The most popular convocation programs were those by the "Sunshine Boys." Led by Bruce Smith of Green Bay these lads produced several shows that were above the average for student participation and execution. Patterned after some of the modern comedy shows these programs made a real hit with their makeshift sound effects and split second timing.

The voices and speaking manners of the members are practically tested by recording their voices and playing the recording back so that the good and bad points stand out and may be corrected.

Officers elected this year are: James Kelly, Watersmeet, Mich., president; Robert Heyrman, Green Bay, vice president; John Kraniak, Milwaukee, secretary; and Laurence Guth, Wau-pun, program director.

First Row: Ledvina, Guttenberg, Held, Schwarz, McCormick, Randall, Jewell.
 Second Row: T. Beno, Rothe, Pankratz, Motiff, Walsh, Balliet, Father Pritzl.
 Third Row: Leininger, Golueke, Zellner, Worachek.

American Chemical Society Student Affiliates

The student chapter of the American Chemical Society was formerly well known on the campus as the Cannizzaro Club. A step forward was taken by this group when it joined the American Chemical Society as student affiliates in the spring of 1942.

This status benefits the student by placing at his disposal most of the advanced ideas and methods used by the modern chemist. Each member receives a bi-weekly magazine published by the American Chemical Society which describes the latest developments in the chemical and engineering fields.

At the quarterly meetings students discuss subjects related to the science of chemistry. Through this they experience the unique privilege of preparing and delivering a technical paper. Their audience is an interested group of fellow members who are always willing to take part in an "after dinner" discussion pertaining to the topic of the lecture. It is evident that this type of professional association can do much by training students to adjust to future professional organizations.

Officers of the group for the 1942-43 school term are as follows: Russell Pankratz, president; Edwin Guttenberg, vice president; Robert Zellner, correspondence secretary; all of Green Bay and Leonard Ledvina of Maribel, secretary.

Front Row: Worachek, Kuehn, Kant, Father Algiers, Janssen, Neitzel, Defnet.
 Second Row: McLeod, Domenech, Zehren, Jarvis, Piekenbrock, Scheuerell, Payant, W., Esselman, Weber.
 Third Row: Slatky, Balliet, Huber, Kalista, Wilmers, Riendl, James, O'Brien, Filbrandt.
 Back Row: Jones, McKindles, Smith E., Belanger, Siebers, Vande Hey, Houk, Shiben.

Chi Rho Nu

Chi Rho Nu is an organization of students who live on the campus. The main activity of this group is to provide trained servers to assist at the regular student Mass every morning. Chi Rho Nu has found that many St. Norbert students wish to serve at Mass, but they have never had the opportunity to be trained. Members of this organization take the full responsibility of training anyone who desires to serve. Such training is thorough and requires substantial effort.

The activities of Chi Rho Nu appear unspectacular. These students give to the college unostentatious, day by day service. Groups like Chi Rho Nu are unnoticed while they function properly but missed by all when their service ends.

The members realize that a certain amount of lighter activities must season their main work. A series of picnics and parties are planned each year.

Officers elected to rule Chi Rho Nu during the 1942-1943 school term are as follows: President, John Worachek of Crivitz; Vice-President, Clifford Kalista of Kaukauna; Secretary-Treasurer, Fred Kant of Clintonville.

Members meet monthly to plan schedules and activities. The nature of their work calls for careful planning and faithful enforcement.

Who's Who

Among Students in American Universities and Colleges

From University, Alabama comes a publication called Who's Who Among Students in American Universities and Colleges. This book contains short biographies of the leading students on the campuses of American Universities and Colleges. Personnel managers and others use this book to pick the cream of American students. The project has been continually growing from a local enterprise ten years ago until now it is a nationally recognized work.

A faculty committee selects the students on the basis of personality, scholastic achievement, and ability to organize and lead. St. Norbert College was permitted to place the above eight students on this list.

Besides giving the reader a short summary of the students life and qualifications the book published by Who's Who Among Students in American Colleges and Universities has added several interesting features. One lists student preferences as to news commentators, actors and actresses, books, etc. Another gives American youths' opinion on marriage and other social problems.

The publisher will send free of charge letters concerning any student listed in the book. Many employers take advantage of this impersonal service in order to quickly get "the dope" on a number of applicants.

Nick Golueke, Editor in Chief

Floyd Hopfensperger, Business Manager

Des Peres Executives

Possibly the last St. Norbert annual for the duration of the present war, the 1943 DES PERES, in its 144 pages, tries to reflect the military spirit and tone so prevalent on our campus this year. No one knows how long the war will last, but we want this DES PERES to stand as a sort of a landmark, a symbol, you might say, which mirrors St. Norbert college with all its activities before the crisis eliminated them.

Robert Zellner, Associate Editor

The work is all done now, but it took quite a bit of promoting on the part of the men on these two pages before a jumble of words, pictures and ideas took the form of the book now in your hands.

Upon Nick Golueke's shoulders fell the responsibility that cannot be passed to anyone else, he had the last word. Besides setting the editorial tone of the book, Nick used his Speed Graphic to take at least half of the pictures in this book. Paste-ups and montages were also planned and perfected by him. Floyd Hopfensperger, a natural,

Father G. L. Nolan, O. Praem.
Faculty Advisor

Des Peres Executives

who could sell an icebox to an eskimo, directed the financial policy of the book, getting enough ads and money so that the book was completely paid for. His wide experience in writing helped Editor Golueke in trying situations.

Heading the list of department heads was Bob Zellner, associate editor, who took a lot of work off Nick's hands in picture and staff organization. Father G. L. Nolan, O. Praem., ably guided the staff over rough spots. Omar Miron, activities editor, tells the stories of all the organizations on the campus. Vernon Biever, photography editor, never missed a shot, his handy camera coming in for a lot of use in the pictorial production. Charles Duerr took care of the senior section, Tom Weinberger handled sports until called by the Air Corps after which Jim Corcoran carried on. Toms, Beno and McKeough, told the story of the year at St. Norbert in headlines.

Des Peres Staff

Presenting several revolutionary features, the 1943 Des Peres has been made possible by the work of the men shown above. Although the editorial staff was small and most of the work done by the various editors, the business staff went to the extreme and have an exceptionally good service record. All assignments were completed well within the allotted time and much credit goes to them for making this book possible.

The quality of the pictures and montages replace the color scheme that was incorporated in the annuals of the last few years. Color was abandoned as an economic "must" when the income of the annual failed to keep pace with the rising prices of an America at war.

A difficulty faced throughout the year was the constantly diminishing student body. The index, which was placed in the advertising section in order to call more attention to our friends, the advertisers, lists many students who will have their book mailed to their homes at the end of the year.

This year's Des Peres is also the first Annual to be devoted exclusively to the College. Previous annuals contained a section devoted to the High School, which exists on the same campus but has no connection with the College curriculum. This year the High School students, under the leadership of Frater Isadore Gosz, former editor of the Des Peres, published their own yearbook, The Argos.

Delta Epsilon Sigma

CLIFFORD KALISTA
President

CHARLES DUERR
Secretary-Treasurer

OMAR MIRON
Vice President

CHARLES BALLIET

Alpha Gamma is one of the thirty-two charter chapters of Delta Epsilon Sigma. Feeling the need of a national fraternity to honor scholastic excellence, the National Catholic Educational Association established Delta Epsilon Sigma.

Members are nominated in their junior year because of outstanding scholastic and extra-curricular accomplishments. A basic requirement is a "B" average.

Each year Delta Epsilon Sigma selects a worthwhile subject and makes a sustained endeavor to master it. This year Alpha Gamma chapter is leading a group in the study of the modern science, geo-politics.

Meetings are regularly held the first Tuesday of each month after the invited guests to the weekly seminar leave. The group plans projects to aid the college in a cultural manner. Copies of the minutes of each meeting are sent to alumni members, most of whom are now in the armed forces.

O. Praem.
Faculty Advisor

Kox, Burkart, Sanders, Rentmeesters, Orton, Father Du Pont.

Cell Movement

A new type of organization appeared on the campus of St. Norbert College at the start of this school term. It is well known as the Cell Movement.

The group has a twofold purpose: A Catholic study club and a unit of Catholic Action. The members believe that such an organization combines theory with action so that an effective result is possible.

The term "Cell" is used as a figure of speech. It means that this little group of students is the smallest unit of a great organization, the Church, as a tiny cell is to the human body. As every body cell grows, splits and becomes two or more cells independent of each other, the Cell is to grow, divide and become many independent units of Catholic Action and study.

As Pope Pius XI said about student organizations of a religious nature; "You are the most beloved of all the family because you represent the hope of the future."

A Cell meets once a week to report on individual studies. They discuss religious matters and such subjects as the Mystical Body of Christ, the Gospels and Epistles, the saints and famous characters of the Old and New Testament, Church history and the missal. Studies grow in scholarship as the group advances in knowledge.

Although the group has no officers, Charles Duerr, Green Bay, was elected the leader of the discussions.

Duerr

Third Order

The Third Order of St. Norbert is the only organization on the campus with religious betterment of the student body as its main purpose. The members believe that by good example they can influence the student body to become Christian gentlemen in practice as well as name.

At the regular bi-monthly meetings members experience a range of activities varying from travel talks by students to lectures as "Our Lady of Guadalupe" by a faculty speaker. The Blessed Virgin Mary was made known in another aspect by an eyewitness account of Lourdes.

Members have an opportunity to become more active Catholics by the following practice: immediately after their meeting is dismissed they go to Confession. The next morning the Third Order of St. Norbert receives Holy Communion in a body. All are convinced that this type of Catholic Action is many times more powerful than a multitude of pious words and exhortations.

The officers serving during the 1942-1943 school term are listed as follows: Prior, Charles Balliet of Appleton; Assistant Prior, James Kelly of Watersmeet, Michigan; Secretary-Treasurer, John Worachek of Crivitz, Wisconsin.

First Row: Balliet, Kuehn, Riendl, James, Morris, Kalista, Kant, Jewell.
Second Row: Weber, Domenech, Worsley, Jarvis, Scheuerell, Jesse, Riendl, Jos., Hopfensperger, Worachek.
Third Row: Miron, Meier, Ackley, Hruska, Koleski, Kelly, Regenfuss.
Back Row: Rentmeesters, Dan., Bravo, Laux, Lemorande, R., Zehren, Weinberger.

Business Manager

Times Executives

Often called the most active organization on the campus, the St. Norbert Times owes its year after year popularity to the executives who direct the policy.

Editor-in-Chief Clifford J. Kalista reigned as chief for the second successive year. In his first term, The Times won its fifth consecutive All American honor rating, the highest award that can be given to a college paper by the Associated Collegiate Press. Editor Kalista supervises layout, headlines and news writing.

Business Manager Charles Balliet, in handling the money and advertising, so ably directed

the financial end this year that The Times consistently made a profit. News Editor George Koleski handed out assignments, rewrote copy and generally gathered up the loose ends before publication. His right hand man was Desk Editor Leland Laux, who wrote those editorials which seemed so concise, arousing much comment from students and faculty alike.

Sports Editor Tom Weinberger raised his page to front page prominence through effective handling of tricky layouts and all sorts of sports dope that seemed to roll off his tongue

George Koleski
News Editor

Times Executives

with seasoned ease. When Tom left for the Air Corps in February, Floyd Hopfensperger took over the reins carrying the page over the trying days of March through May when there is no sports activity on the Knight campus.

Omar Miron, cast from the same mold as Pegler, always had an answer in his Miron's Mirror for the political and economic problems of a nation at war. Robert Kuehn wrote the ever popular humor column, Over the Dam, under the pseudonym, "Kuehnbaum." Don Sibley very ably kept the alumni news in prominence; Fred Kant, Circulation Manager, shipped The Times to all points on the globe, Iceland, New Guinea, Australia and many places he doesn't even know about.

Times Staff

Issued bi-weekly on alternate Fridays, The Times reflects in its readers the interest that has kept it the "paragon of college newspapers." Although much of the news on the campus is known to many by the grapevine system soon after it occurs, The Times collects the news, organizes it and accurately presents it to the readers as fact, canceling out all rumors.

With the departure of Mr. David A. Yuenger as Graduate Manager last summer, full executive powers rested with the editor for the first time in the history of the paper. Father M. A. Steinmetz, as faculty advisor, gave The Times the necessary faculty sponsorship.

One of the biggest problems faced by the paper this year was to keep the students accurately informed as to their status in the war effort. The biggest story handled this year was the announcement that St. Norbert had been chosen a part of the Army Specialized Training Program. Whether or not this Army subsidizing of the College will put The Times out of business was not known at this writing. Uncertainty, then, seemed to be the keynote this year with reporters dropping out of school like flies until the second semester when only a nucleus put out the paper each time.

Alesch, Safford, Huber, Sigl, Bieber, Pieters D., McKindles.

Male Chorus

Members of the Male Chorus realized a great change in number at the semester of this school term. Their ranks were almost tripled by students who could now find time to attend meetings of the group. Rev. R. A. Sromvosky, O. Praem., professor of music, conducted a class for choral voice during the first semester but the group attending the class was rather small because of the heavy schedules carried by most students with military and other semi-war classes. This class work built a good foundation for the much enlarged second semester Male Chorus.

Members meet each Wednesday afternoon after school to practice new songs and re-sing compositions already mastered. The group shows its skill in many ways throughout the school year. It appears on convocation programs, goes caroling at Christmas time, and finally at the end of the school year the Chorus livens up the graduation ceremonies with a few well chosen selections.

At the beginning of the second semester the much enlarged Male Chorus elected the following officers: Robert A. Sigl, Seymour, president; George Koleski, Watersmeet, Mich., vice president; Joseph Huber, West Bend, treasurer; and George Augustyniak, Ironwood, Mich., secretary.

First Row: Balliet, Kalista, Kuehn, Hickey, Kant, Canadeo.
 Second Row: Faris, Kelly, Pankratz, Beno, Worachek.
 Back Row: Golueke, Zellner, Hopfensperger.

Student Council

Each man a president, a leader in his own right—such are the members of the Student Council. In this organization, we have the spirit of the unity of all organizations. This Council was founded by Dean P. N. Butler in order to provide a medium through which the students and the faculty might exchange views and ideas on problems.

The Student Council exists chiefly to coordinate and plan all the extra-curricular activities of the college. It formulates regulations of a special nature to rule students whenever this special need arises.

The largest project attempted by the Council this year was the petition to lengthen the Christmas recess. The college calendar provided that Christmas recess would extend from Dec. 23 to Jan. 4. As the time approached, many students felt a real need for an extended period; transportation, student employment, were some of the factors begging for recognition. The Student Council drew up the petition signed by most of the students requesting the extension. The faculty received the petition, considered it and granted the request.

Dean Butler is the faculty advisor to the Student Council, and calls the necessary meetings. Robert Kuehn is the president, and appoints committees to handle each situation. Other officers are vice president Charles Balliet, and secretary Russell Pankratz.

Varsity Club

The big green and gold "N" on each sweater represents recognition as a full fledged college athlete. Each student who successfully competes in either inter-collegiate football or basketball is awarded a sweater. He automatically becomes a member of the famed St. Norbert Varsity Club.

A number of projects are sponsored in order to raise enough money to buy these coveted sweaters. Each year the Varsity Club promotes and exclusively handles the Homecoming dance. Students winning a third letter are presented with a beautiful woolen blanket bearing a large green and gold "N."

Ten years ago the Varsity Club was organized to lend emphasis and prestige to the expanded athletic program. Through its efforts St. Norbert teams play regular football and basketball games in six states. The teams have become well known in this vicinity for putting on a good game always. The Varsity Club can be credited with this success; while Father T. G. Fox, O. Praem., can be credited for the great success of the Varsity Club. Father Fox is the Director and faculty advisor to the Varsity Club.

Officers elected for this year are as follows: John Hickey, Juneau, president; John Richards, Antigo, vice president; and Harvey Hruska, Kewaunee, secretary-treasurer. The club meets whenever there is a need to transact business.

First Row: Powers, Machi, Wondrash, Richards, Golden, Lefebvre, Walters.
Second Row: Faris, Vanden Branden, Feser, Kant, Kuehn, Hickey, Smith.
Third Row: Hanley, Cotter, Riendl, Junion, Hruska, Byrne, Regenfuss.

Lt. Col. Hugh McC. Evans
P.M.S.&T.

Captain Maurus J. Schumacher
Asst. P.M.S.&T., Adjutant

Staff Sergeant Elmer L. Grissom

The ROTC unit plays a major role in the school's activities on the campus. In its eight years existence on the campus it is graduating its fourth group of officers.

Lt. Col. Hugh McC. Evans headed the ROTC staff this year with Captain Maurus J. Schumacher and Sgt. Elmer Grissom serving under him. Col. Evans arrival here as the new PMS&T found the largest battalion in school history.

Contrary to past years, the battalion was directed by the Cadet Battalion Staff composed of: Cadet Lt. Col. Clifford Kalista, Cadet Major Robert Ryan, Cadet Adjutant Thomas McKeough, and Cadet Sgt. Major Mark Sanders.

The calling of many of the cadets in the various reserves resulted in a constant diminishing of the size of the battalion causing reorganization of the companies periodically.

The scenes depicted on the opposite page portray the activities which made the last federal inspection May 23, 1942 a success proven by the excellent rating received.

R. O. T. C. Band

Often called the most active organization on the campus, the R.O.T.C. Band has attained a degree of excellence seldom attained by musical groups in a small college. This is largely due to the leadership and direction of Father R. A. Sromovsky, O. Praem., who organizes and conducts the band throughout the year.

The band is an orchestra for the convocation programs, a "band and noisemaker" for the pep rallies and sporting events, as well as the official military band for all R.O.T.C. functions.

The convocation programs are begun and ended with selections played by the band. The Varsity Toast is the favorite opening number

and the Star Spangled Banner is always the finale. Frequently Father Sromovsky announces that he has a special treat in store for the student body and proves it by directing the band in the playing of some well known melody. Many of these selections are from operatic arias and require long hours of practice on the part of the students.

As a pep band the group is very successful. Sport fans will remember the spirited college atmosphere furnished by the band at the various sporting events. In their own special section of the stands the band plays music appropriate to the occasion.

R. O. T. C. Band

Intermissions are filled with music or marching demonstrations that are masterpieces of precision marching. The group marches through De Pere to J. R. Minahan Memorial Stadium as a pep demonstration before each home football game.

When spring comes the individuals in the band must prove that they can not only play good music but must also be able to march with precision and unison while playing. The band plays a major role in the military inspections, parades, and ceremonies; playing martial music for the marching and other selections for the ceremonies.

During the week of commencement, the band is in much demand. At the graduation exercises, procession of graduates and faculty to the ceremonies, and the playing of the hymns and selections in respect of the occasion, the band terminates a year of vigorous activity.

Father Sromovsky had a difficult time this year in keeping a band together as most of his men were called into active military service during the school year. This constant depletion of numbers hampered the organization especially in the spring of the year when only a nucleus of the original group remained.

Father R. A. Sromovsky, O. Praem., professor of music, is widely known in the field of music and has the admiration of the entire student body for the fine work done with the band. A St. Norbert alumnus who is a credit to his Alma Mater, Father Sromovsky has constantly studied in the field of higher mathematics as well as in music.

Those who were his pupils at St. Norbert know that Father Sromovsky is a man who will never admit that a mathematics problem cannot be solved or that a musical composition cannot be played. A man of boundless energy, he is constantly engaged in the pursuit of some project. Few students know that he is an able wood carver and has carved numerous small and intricate statues, ash trays, and other small items.

Father Sromovsky, O. Praem., Ph.D.

 Fifth Row: Van Scandal, Whittig, Thomas, Kosmoski, Sacotte, Bouchea, Brown.

Lancers

The honorary drill organization on the St. Norbert campus, the Lancers, was organized in October of 1941. Since that date, great progress has been made by the members.

The purpose of the club is competitive drill, with the aspect of raising the standard of military education, to develop better officers and men, and in all ways, to preserve and foster the highest ideals of the military profession.

The company of Lancers is made up of freshmen and sophomores, drilled and trained in many intricate and colorful drill ceremonies by the senior members, assisted by first year advanced men. Many drill routines make up the excellent drill program demonstrated frequently at formal gatherings. The cadets who make up

the crack drill squad of the Lancers are able to "make a rifle talk."

The crack drill squad will long be remembered by the fans who attended the homecoming game. The demonstration between the halves was a masterpiece of close order drill. The members of this squad practiced for many hours in order to attain such a degree of precision.

Although the routine of the Lancers is not easy, the social events hold a definite position in the organization. Dances, informal gatherings, smokers, give the men a good share of off campus entertainment.

Officers of the group are: Thomas McKeough, president; Robert Ryan, vice president; and Reginald Kramer, secretary-treasurer.

Captain Richard B. Port was instrumental in starting this military organization on the campus. This drill organization is a takeoff on the widely publicized Pershing Rifles, a national honorary drill fraternity. The increased cost of membership to the national chapter of Pershing Rifles prompted the group to assume the title of "Lancers" the first few years of existence. It is hoped that some day they will be able to take this step forward and become affiliated with the national chapter.

THE COLOR GUARD

Furnishing the color at all formations the color guard is composed of four of the leading first year advanced men. When not carrying the colors these men are attached to their respective companies. Frank Kremer is Cadet Technical Sergeant in charge.

COLOR GUARD

Oliver, Kremer, Schwarz, Hodek.

Lancers

First Row: Held, Guttenberg, R. McDaniel, Sibley, Oliver, Hodek, Paulson, Hoell.
 Second Row: Gerlikowski, Brauel, Kremer, Martell, Schwartz, Wm. McDaniel, Sanders, Vanden Branden.
 Third Row: Martin, Lynch, Bie, Jesse, Crevcoure, Leining, D. Kramer, Don Rentmeesters.
 Fourth Row: Swette, Vandecastle, McCormick, Randal, Orton, Ellinger, Vanden Wymelenberg, Seroogy.

First Row: McDaniel, R., Guttentberg, Fruzen, Ryan, Cavil, Sanders.
 Second Row: Vanden Wymelenberg, Ehllinger, Martell, Bourguignon, Rosseau, Delwiche.
 Back Row: McLeod, Seroogy, Lurquin, De Wane, La Luzerne, Pague.

Rifle Team

The St. Norbert college rifle team completed its seventh year of intercollegiate competition with a distinct improvement in the over all marksmanship of the squad. The improvement shows itself mainly in the fact that in the William R. Hearst Match, fired every spring, this year's team fired a score thirty-six points higher than last year's first team. This is no mean achievement as rifle team scores, like low golf scores, change little unless there is a marked improvement.

Postal matches were fired with six other colleges and universities, St. Norbert won out over its old rival Ripon College by a close score of 1817 to 1809 in a close postal match.

A disappointment for the team was the fact that the annual quadrangular match was can-

celled this year. The Quadrangular match, featuring two shoulder to shoulder matches with Ripon and St. Norbert, and Knox and Coe colleges firing with each other is always the high spot of the year. Gas rationing and loss of key men was blamed for the cancelling of the match. As it stands now, Knox college, who won the trophy last year, will retain it for the duration. St. Norbert won the trophy in 1941, the first year it was up for competition.

The team is captained by Robert Ryan, De Pere, managed by Norman Martell, Green Bay, and coached by Sgt. Grissom.

The five high men on this year's team in order are: Mark Sanders, Ira Pague, Robert Ryan, Robert Bourguignon, and Ed Guttentberg.

First Row: Hopfensperger, Jewel, Kuehn, Kalista, Kant, Walsh, Laux, Koleski.
 Second Row: McKeough, Ryan, Fruzen, Vos, Johnson, D., Kramer, R., Cavil.
 Third Row: Sanders, Hoell, Paulson, McDaniels, R., Held, Guttenberg, Brauel, Vanden Branden.
 Fourth Row: Knox, Bourguignon, Hodek, Martell, Golden, Byrne, H., Walters, Faulds.
 Fifth Row: Sorensen, O'Malley, Sibley, Oliver, Koutnik, Kremer, Wm., McDaniels, Gerlikowski.

Infantry Club

An army of eleven million needs many well trained officers. St. Norbert College graduates a number of men each year who immediately become second lieutenants. These men are chosen from the advanced corps of the R.O.T.C.

The Infantry Club, a purely social society, is exclusively made up of these officers and non-commissioned officers of the battalion. With the first classes of military science at St. Norbert came the need for such an organization, which has the same function on the campus as does the Officer's Club at any Army camp.

Several parties, exclusive to members, are held each year with the college staff and representatives of the faculty in attendance.

New members are initiated at a fall get-

together. The winter program included a party, while spring will add yet another date to the club's social calendar.

A disappointment to the student body as well as to the members of the Infantry Club was the postponement of the annual Military Ball sponsored each year in the past by the club. Difficulty of transportation was the main reason for the cancelling of the dance; which was always the most colorful affair of the school year.

At the gatherings of such an organization, a friendly relation of men who have a common interest is built up.

The officers of the group are: Fred Kant, president; Leland Laux, vice-president; and Robert Bourguignon, secretary-treasurer.

King Robert Kuehn

Queen Gertrude Kcehn

Junior Prom

Last year's Junior prom was the first dance ever to be held on the College campus. This precedent was accomplished by renovating the study hall into a large modern ballroom replete with venetian blinds, drapes, and bandstand.

This metamorphosis was completed under the direction of Robert Kuehn, Rhinelander, Class president, who directed the mobilized forces of the Class of '43 into a fully cooperative unit. The project was paid for with the profits from the sale of tickets for the dance and the fixtures turned over to the College as the gift of the class of 1943. Much credit goes to the students who made this affair possible by spending long hours putting in the lights, drapes, and venetian blinds so that a profit could be realized.

The committee heads were as follows: Fred Kant, Clintonville, tickets; John Wilson, Chicago, programs and invitations; and Floyd Hopfensperger, Kimberly, table reservations.

Homecoming

The climax of the fall season each year is the homecoming celebration. Starting the night before the homecoming game with the alumni banquet and official reunion of the class of 1917, this year's homecoming celebration roared on with a giant pep rally held on the steps of Main Hall.

Following the traditional pajama parade and snake dance through the streets of De Pere the crowd returned to the campus for the pep rally and broadcast.

Directed by Jim Kelly, head of the Broadcasters, the program featured several prominent speakers. Among these were: Father T. G. Fox, O. Praem., athletic director; Coach Francis J. McCormick; Judge Art Sheller '17, prominent alumnus; game captain Charles Machi; and Father Denis Burke, vice president of the College.

Highlight of the festivities was the semi-formal dance held in the newly decorated auditorium in Boyle Hall the following evening. One of the largest crowds in the history of the College attended this colorful affair.

The homecoming affairs are controlled exclusively by the Varsity Club and the profits are used for the purchase of varsity "N" sweaters for the letter winners of this year's teams.

Homecoming

Chairman Jim Kelly checks up while Father Fox tells the team to go out and win.

The band was noisier than usual on this occasion.

The freshmen had much fun tying traffic in knots. This picture was taken on the corner of Main and Second.

Coach Mickey McCormick, the cause of it all. If it weren't for him there wouldn't have been a team to play the game.

An overhead view of the crowd, showing some of the illuminating fireworks. Pajamas really add to the looks of those freshmen.

The class of 1917 held their official reunion and attended the homecoming game in a body. Here they are on the field between halves.

The man of the hour, Charlie Machi, game captain, tells the students who is going to win the big game tomorrow. Jim Kelly looks on.

In the press booth sports scribe David A. Yuenger, of the Green Bay Press-Gazette and St. Norbert College, comments on a forward pass.

More freshmen. As can be seen by the faces, everyone was having a good time making a lot of noise.

And then we have our Dean, Father Butler, who gave the boys a little talk on sportsmanship while Ted Wing, assistant to Jim Kelly, looks on.

Dedication of the Residence Hall

Climaxing two and one-half years of planning, campaigning, praying and building, the dedication of St. Norbert College's new residence hall took place October 4, 1942. The main speaker for the afternoon was the Very Reverend Raphael C. McCarthy, president of Marquette University, Milwaukee. Financed entirely with funds donated by friends of the College, the beautiful structure on the bank of the Fox River fulfills the dreams and expectations of faculty and students alike who long ago saw the need of a hall to be used only for living and eating quarters.

Of Georgian Colonial design, the E-shaped building is three floors in height with a full basement. Included in the construction are 75 private rooms for 150 students, a dining hall to accommodate the entire student body, six rooms for lay faculty members, and a like number for prefects, along with lounges, shower rooms, modern kitchen, dish washing room and numerous other features.

The program for the day was as follows:

10:00 A.M.—High Mass for building donors, St. Joseph's Church.

4:00 P.M.—Main Hall, raising of flag by Lancers.

Star Spangled Banner, R.O.T.C. band.

Speech of Welcome, Dean.

Main Speech, Very Rev. R. C. McCarthy, Pres. of Marquette University.

Blessing of Building, Rt. Rev. Abbot and assistants.

Explanation of Ceremonies, Dean.

Varsity Toast, Students and Band.

Procession to Residence Hall.

Open House.

6:30 P.M. Banquet for donors, dining hall.

Master of ceremonies for both the afternoon and evening was Rev. P. N. Butler, O. Praem., Dean of the college.

Crowd waits to see the interior during the open house in the afternoon.

The color guard and Abbot Pennings watch the band move into position for the raising of the flag ceremony.

Rev. Abbot Pennings blesses the Residence hall aided by Father Algiers and Father DuPont.

View of the impressive west entrance.

A portion of the procession from Main Hall to the Residence hall is led by Tom McKeough, president of the Lancers society who furnished the military color for the day.

An essential part of the ceremony was the music of the band, here in formation in front of Main hall.

Rev. Raphael C. McCarthy spoke from the steps of Main hall, other speakers and honored guests in background.

Table scene at banquet shows: Rt. Rev. John Hummel, Menasha; Father McCarthy of Marquette; Abbot Pennings; Bishop Paul P. Rhode, principal speaker at the dinner; Frank J. Sensenbrenner, Neenah industrialist; and A. J. Goedjen, representing President Dykstra of Wisconsin.

View from the south showing the same crowd as in the first picture but from a different angle.

Residence Hall

These pictures of the Residence Hall show the Georgian Colonial Architecture that has been the inspiration for its design. The first photograph is a view from the southwest, showing the front of the building and the south wing. The lower view is of the east front which overlooks the beautiful and historic Fox River.

From the southwest.

From the east.

Residence Hall

The most popular door on the campus, on the ground floor of the east side of the building, leads to these two rooms. It is in the dining room that the boarders have all their meals, and in the Knight club that the day students eat their dinner and refreshments are served to all students.

Dining room.

Soda bar in the Knight club.

Introducing

Our Advertisers

We Salute . . .

Those business firms whose advertisements appear in the following pages, advertisements signifying their interest and splendid cooperation in financing this book. Without their help this book would still be in the dream stage. It wouldn't be necessary to urge you to patronize these places of business, their integrity speaks for them. As you page through the advertising section, you will notice that most of our old standbys in the business world are back with us, along with many new ones. In trying to make the advertising section more appealing this year, the staff has innovated the idea of running a page by page student index throughout this section. Although the ads are thus proportionately smaller, more reader attention will be drawn to them because of the importance of a student index in the annual. We wish to make a special expression of our sincere gratefulness to Mr. F. J. Sensenbrenner and the Green Bay Press-Gazette who favored us generously although they wished no advertising space. Finally we want to thank each and everyone who aided us in any way in solving the financial problem accompanying the production of this yearbook. Advertisers and contributors, we salute you!

The POWER to WIN

Not the least of our American assets in the struggle against the dictator nations is the abundant ELECTRIC POWER we possess.

90% of it is produced and distributed by stockholder owned, business managed utility companies like this one. Ready ahead of time for the vital uses of the day . . . neither too little or too late . . . U.S. has the business managed POWER to WIN.

Printing Service . . . Backed by Personality

Your printing should be a reflection of yourself and your business. In other words, it mirrors your personality.

And here is a shop that is known for its quality work, quality material, and good service.

We're qualified and equipped to give unusual service whether you desire a catalog, school annual, folder, business card, or any printing that calls for exceptional workmanship.

Epilogue

The time has arrived when few pages remain to be turned. But before the back cover is lifted, a few words of credit where credit is due.

The excellent photography in this book is mainly the work of our editor, Nick Golueke. However, Vern Biever, Clarence Bredell of the Green Bay Press-Gazette, Henry Lefebvre, and especially Charles Golueke have rendered invaluable assistance.

We must not forget Floyd Hopfensperger and his advertising staff who made it possible to edit this book in the black despite the current high prices.

We wish also to thank all others who have in any way given assistance to us in time of need. Among the many in this group are Rev. D. M. Burke, O. Praem., Rev. I. F. Van Dyke, O. Praem., Mr. David Yuenger, Clifford Kalista, and James Corcoran. They all helped at various times and their aid is greatly appreciated by the staff of the Des Peres.

We hope that you have enjoyed this annual; if you have, we shall consider it a success. If not, let us remind you that there is a war on, buy some United States war bonds, kick the Japs, not us.

Autographs

Adding the personal touch.

Dear Mr. Noel,
I'll always
remember you for
being so friendly and helping
me saw the locks off my
locker when I locked the keys
in. Thanks a lot.
Best of Luck
John McLeod.

The Campus--as seen from across historic Fox River.

Autographs

Captain,

Don't let that bar
at Dukes get too
cold while we're
gone. See you in
Appelton. Remember me
to Ray. Chuck Balliet
